QUALIMAX LLC DEBUTS AS GLOBAL TESTING LABORATORY

The Mission: To Excel as the Preferred Testing Laboratory for Worldwide Research Based Companies - Providing Services to Meet Their Growing Demand

Hackensack, November 13, 2002 — Qualimax LLC today debuts as one of the premier testing laboratories. Qualimax LLC will focus significantly on growing demand for outsourcing of analytical testing.

Qualimax LLC will provide critical testing to various pharmaceutical, nutraceutical, cosmetic, household, personal care, food, chemical, and polymer companies. We are in a position to offer our exceptional services to multinational as well as small companies.

From the outset, Qualimax LLC is a different kind of testing laboratory. We consider ourselves a partner to our clients. We believe that our client's success is our success. In Qualimax LLC, we are dedicated to facilitate the needs of our clients in a timely fashion with the most accurate and detailed analysis.

One of the most important factors that distinguishes Qualimax LLC is the track record of its employees. At Qualimax LLC, our goal is to do our share in helping you improve your output, whether your objective is a single test, a full set of testing, or both. Our dedicated personnel will endeavor their utmost professionalism to provide you with the most reliable and reproducible data.

Qualimax LLC also features key testing, development, and production capabilities such as high shear granulation, drying, milling, sifting, blending and triturating. Our capacity for the above mentioned capabilities range from kilogram to multi-ton quantities.
